## **Our Enrichment Charge - £3 per session (am/pm)**

This is a fee that is charged to cover the costs of the additional learning activities that are not directly related to the delivery of the Early Years Foundation Stage (EYFS) Statutory Framework.

At BOPS, we are passionate about emotional wellbeing and children accessing opportunities that help them to develop confidently mentally, emotionally and physically. We are proud to be able qualified lead activities, such as:

-  Cosmic Kids Yoga
-  Dance with Camilla
-  Forest School
-  Balance ability

The timetable of classes will be available to parents to view in the foyer and information regarding each class will be displayed.

Each child will receive at least one forest school session, dependent on how many sessions they attend, which you will be contacted about separately. They will have access to the other activities throughout their sessions.

This is an optional fee, that you will need to sign to say you are happy to be charged for. See separate sheet.

As an inclusive setting, we want to ensure that all children have access to these activities. If we don't receive enough paid contributions, this may lead to us limiting places for financial reasons.

Snack (a carbohydrate and fruit) & milk will also be included each session.

## **Please note – What is not included as part of our preschool offer:**

-  Nappies and wet wipes are not provided by the preschool. Please ensure you provide these in your child's bag, if your child requires nappy changing.
-  Suncream will not be provided by the preschool. Please ensure your child has suncream applied during the warmer months. If you want us to reapply

suncream during the day, you will have to provide the suncream (clearly named).
